A stylized illustration of a Catrina skull, a symbol of the Mexican Day of the Dead. The skull is white with dark eye sockets and a wide, toothy grin. It is adorned with a large, elaborate crown of red roses and gold tinsel. The background is a dark, starry night sky with several bright, multi-pointed stars. The text "CATRINA CROWNS" is written in a bold, yellow, sans-serif font across the middle of the image, with "LIGHTS UP AT NIGHT" in a smaller, yellow, sans-serif font below it.
